

# DO YOU OR A LOVED ONE HAVE A PROGRESSIVE NEUROLOGICAL DISEASE?

LIKE MS, PARKINSON'S, MOTOR NEURONE  
DISEASE, HUNTINGTON'S DISEASE  
OR STROKE?

.....

**SPARK NeuroCare** are here to help –  
call us **1800 875 244**.

## Who is SPARK NeuroCare?

**SPARK NeuroCare** is a not-for-profit organisation bringing together the knowledge and expertise of six care providers – Epilepsy Queensland, Huntington's Queensland, Motor Neurone Disease Association of Queensland, MND and Me Foundation, MS Queensland and Youngcare.

**SPARK NeuroCare** specialises in working with people with progressive neurological diseases like Multiple Sclerosis, Epilepsy, Huntington's Disease, Motor Neurone Disease and Parkinson's, as well as Stroke and Acquired Brain Injury.

We have the specialist knowledge and health networks to get you the support and services you need – in your local area right across Queensland.

## Why choose SPARK NeuroCare?

- We're experts in working with people with progressive neurological diseases
- We've got the knowledge and the networks to help you navigate the NDIS
- We're a registered provider of NDIS Support Coordination
- We can connect you with community care solutions that are relevant and tailored to your needs
- We empower you to decide what support you want and when you want it
- We listen and we work alongside you to achieve your goals

## What SPARK NeuroCare can help with in your local area:

- Understanding and applying for the NDIS & My Aged Care
- **NDIS Support Coordination** to help you get the best out of your NDIS plan
- Connecting you with NDIS Plan Management Services
- Advice and information to help you get the best out of life
- Connections to physiotherapy, exercise programs, occupational therapy & other allied health services
- Links to aids and equipment suppliers
- Wellness and educational programs
- Help navigating service provider relationships

## How does SPARK NeuroCare work?

1. You can contact **SPARK NeuroCare** on **1800 875 244** or [info@sparkneurocare.com.au](mailto:info@sparkneurocare.com.au)
2. We'll make you an appointment with our local Service Coordinator in your area
3. We can visit you with your family or carers to discuss your needs
4. We'll develop a plan of information and resources to help manage your needs and symptoms
5. We'll help you prepare for, apply for and navigate the NDIS
6. We can organise referrals to allied health services (including physiotherapy, occupational therapy, speech therapy and more)
7. We'll stay in touch and can support you with changes in your needs and circumstances
8. We'll help take the stress out of managing your disease, so you can get the best out of life
